## THE LINWOOD COMMUNITY The First Newsletter of LINWOOD NEIGHBORHOOD WATCH

~~~~~

Final Street Clean-up of the Year and only 2  
Meetings left for 2009!

~~~~~

We are closing in on the end of 2009.  
On Saturday, Nov. 14<sup>th</sup> from 10AM-12PM  
we will be cleaning up our streets, sidewalks  
and helping our neighbors with their front  
lawns in picking up debris for the City  
Sanitation to pick up on Monday, Nov. 17<sup>th</sup>  
in front of Forerunner Ministry Church for  
the end of the year clean up. The next clean  
up will be scheduled for spring 2010. Hope  
to see you there to help keep our community  
clean. All supplies are supported by the  
City of Lafayette.

### Our Community Cares.....

Our neighborhood watch was formed in  
August 2007. Since then, we have made  
progress in some areas, and have made long  
lasting friendships, met some wonderful  
people, and are a lot safer from unwanted  
activity. We have discussed some great  
ideas, learned some safety tips to help our  
families and neighbors. In the past, we  
have had very informative and caring  
speakers at our meetings to assist in the  
growth of our community. We will continue  
to provide such guest speakers. If there is a  
topic you would like to have a speaker for,  
please tell us and they will be contacted for  
scheduling. Representative from the  
Lafayette Fire Dept. will speak at the Nov.  
10<sup>th</sup> meeting.

Families in our community have gone  
beyond just caring and giving great ideas for  
improvement; they have been implemented

and continued. Our families have found that communication is the most important next to caring about their neighbors and our City.

Our Neighborhood Watch welcomes our newest family ~~~~~ Embry Bernard and his family. Embry attended our meeting on Tuesday, Oct. 13<sup>th</sup> and made the decision to become an active neighbor. Embry determined that his decision of being active in his neighborhood is valuable for his family and his neighbors.

We hope to hear from you and/or see you at our next scheduled meeting on Tuesday, Nov. 10<sup>th</sup> at Forerunner Ministry Church.

Cheryl Norris Chapman  
Neighborhood Coordinator

## NEIGHBORHOOD WATCH

Again, my heartfelt thanks goes out to all the community families that have been actively involved with their neighborhood watch and we do hope and pray that our neighbors in our community who have expressed an interest and/or have questions concerning their neighborhood watch will join us in helping with neighborhood issues to meet resolutions. Our boundaries cover 12<sup>th</sup> and 15<sup>th</sup> Streets (east to west) and Greenbush and Hartford (north to south).

Your neighborhood watch is looking for its entire community families to join the neighborhood watch. Block Captains are needed for your neighborhood, so please, give me a call. **SHARING INFORMATION**  
**THROUGHOUT THE COMMUNITY**

Planning to add to or upgrade your property, call the City Engineer's office to confirm whether a building permit is necessary—807-1050.

Planning to trim your tree in the "public right of way", call the City Forester's office to confirm whether a permit is necessary—807-1383.

Observed abandoned furniture/furnishings along side the roadway and or curb, call the City Sanitation office and request a pick up---807-1411.

For safety reasons, as well is also a city ordinance, please keep sidewalks clear of debris. Approaching winter weather, it is the duty of the owner or occupant of a property adjacent to any sidewalk within the city to remove snow and ice on such sidewalks within six hours after daylight and after snow has cease to fall.

**God Bless.**
